

## DISPLAY

### CALL FOR PROPOSALS

OPENSOURCE Art is an alternative art space accommodating a variety of non-traditional, community-oriented art projects and events within Champaign-Urbana, Illinois. OPENSOURCE is located in a building that was once a storefront – generally defined as a commercial space at street level and frequently characterized by the inclusion of a display window. We are asking for proposals to design, transform, and call attention to the OPENSOURCE storefront window. The theme of *display* may be interpreted in the broadest sense of the term; OPENSOURCE encourage an exploration of the spatial, social and political aspects of this – and all – storefront windows.
